

## Testimonials

***“I have been a member for more years than I care to remember and the club is like an old friend. There is no pressure to perform or attend which I appreciate. Other clubs put their runners under pressure to attend x country league matches, etc, and perform well. It is the sort of club where you can dip in and out as you like”***

***I love the Friendliness of the club. I also think we are so lucky to be in such a great area for all the type of running we do.***

***“Very friendly and relaxed great mix of people. Glad to be a member”***
